Adjustment Announcement of OneCoin

December 9, 2017

To allow most users to correctly understand the digital assets based on blockchain, effectively crack down on all kinds of possible speculative behaviors, and promote the benign development of shared computing ecology, the following adjustments will be made from now on:

1. **“OneCoin” is officially renamed “Lianke (English name LinkToken)”**. At the same time, its functions remain unchanged as an exchange medium for shared resources and various value-added services.
2. **“OneCoin Wallet”** officially changes its name to " LinkToken Pocket". At the same time, the LinkToken Pocket will launch the real-name certification function on December 14th, when a 15-day real-name certification buffer period will begin. Please complete the real-name certification as soon as possible during the buffer period. **Users who have not completed real-name certification within the stipulated time will not have access to the transfer function of LinkToken Pocket from December 29th.**
3. **Xunlei will cooperate with various supervision and law enforcement departments to crack down on illegal trading platforms. Users shall transfer the link tokens kept by illegal trading platforms to their LinkToken Pocket before December 16 to avoid any unnecessary loss of asset.**
